INTRODUCTION

Brief Introduction

The organization is established in the year June, 2000 and working in four districts namely Dumka, Pakur and Hazaribagh of Jharkhand State in India. It is working with the community (especially tribal's and indigenous tribes) in 208 villages of 5 Blocks in 3 districts.

VISION, MISSION

Vision:

JVP is striving its hard through its various integrated actions to attain an established, egalitarian, non-exploitative and socially just society with economic self-reliance.

Mission:

Organizing people at grass root level for their social, economic development and empowerment

Our Reach

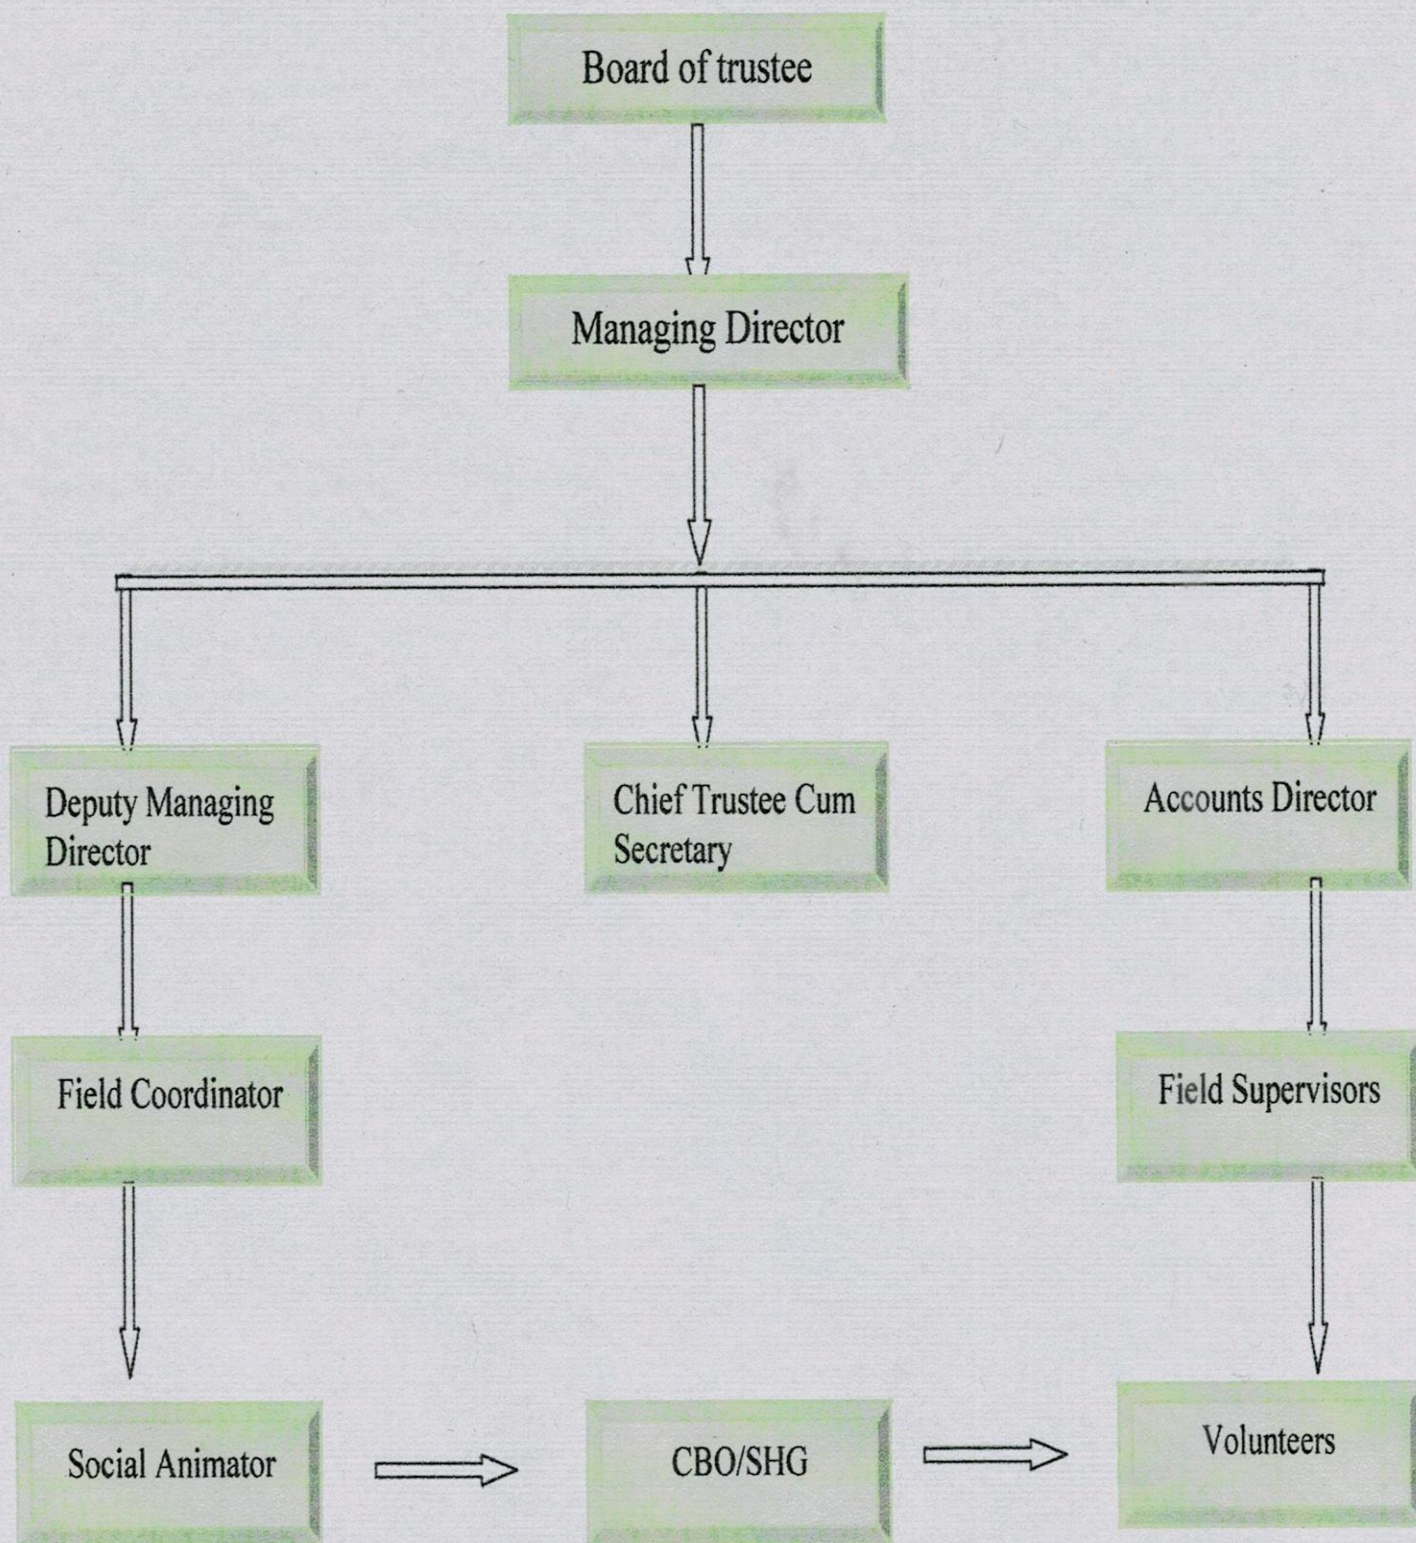

District – Pakur, Dumka and Hazaribagh

Working Blocks in Dumka – Gopikander Block 30 villages.

Working Blocks in Pakur- Amarapra and Littipara block 163 villages.

Working Blocks in Hazarinagh:- Mandu block 15 villages .

ORGANOGRAM

SECTORAL INTERVENTIONS – NURTURING OF SELF HELP GROUPS

have given opportunity to illiterate women for united in groups where they meet, discuss and take actions for their own happiness and happiness of others who are suffering in the community.

Self- JVP primarily focuses on capacity building of women through Self Help Groups. The capacity building includes writing minutes, maintaining book

keeping, interlining, linkages with banks and accessing welfare schemes from Block and District.

The organizational has successfully formed 208. SHG Cluster. They have raised INR 18,30685/- as their own fund. This fund is utilized in credit for Income Generating Activities. JVP is supporting its women by maintain financial and Management Information System for transparency and accountability. At field level, women themselves maintain their records.

The members of SHGs are generating additional income from Income generating activities like livestock management, petty shop, vegetable selling, selling of forest produce, tailoring and handicraft items.

SECTORAL INTERVENTIONS – NATURAL RESOURCE MANAGEMENT

This is one of the top most concern sectors of the organization. A vast majority of rural population entirely depend on soil and water for food security not only for themselves but for entire living beings. The rapid erosion, climate change, undulating land, runoff water, use of chemicals, deforestation and absence of conservation measures are various factors for poor yield and food insecurity.

The organization dedicates a significant part of its intervention efforts on developing soil and water management through ridge to valley approach. Programmes comprise of enhancing productivity in agriculture; diversifying into new crops; setting up irrigation systems; and instituting entirely new ways of managing the natural resource base.

Plantation by Adolescents Girls

Gully Plugging

Water Conservation work

Chilly Cultivation

Brinjal Cultivation

Tomato Cultivation

SECTORAL INTERVENTIONS – Adolescent Empowerment

The organization has succeeded in mobilizing adolescents in the form of 47 groups having 1128 Members. These groups become a platform for open discussion to gain knowledge on issues related to their development. Capacity Building Program namely Behavior Change

Communication, Life Skill Training, Health and Hygiene, Career guidance arranged for the adolescents to make them aware of living a dignified life. Street play group also existing in the village who are generating awareness on social issues like human trafficking, right age of marriage, nutrition, education and services.

Child Protection and Rights

JVP is one of the Partners in implementing CHILD LINE (CIF) Program. This is a project supported by the Union Ministry of Women and Child Development and linking state Governments, NGOs, bilateral /multilateral agencies and corporate sector. Awareness generated on child rights and protection among 5866 people. 186 cases administered. 45 abuse cases protected. 62 medical cases received. Wall writing in 11 places done for the publicity of CHILDLINE

Human Trafficking

JVP with the support of district administration is engaged rescuing trafficked children and hand them over either to parents or recommend them to shelter homes for rehabilitation run by the government / nongovernmental agencies for needy children.

102 adolescent girls rescued in the year 6270 children were contacted through outreach service. 2864 phone testing was done 446 open house sessions held.

Issues like child labour, child marriage were taken up with the district administration. 47 adolescent girls enrolled in Kasturba Gandhi Vidyalaya for regular education.
